RIVERFEST 2017

ABOUT SAN MIGUEL

San Miguel School Chicago is a junior high (6th - 8th grades) school program founded under the principals of providing students with a great education, a graduate support program and family support services to ensure that each student goes on to graduate high school. Studies have shown that a student's path is most likely determined before even entering high school. San Miguel School Chicago seeks students who are academically behind and financially at-risk; and students who enter San Miguel improve 4-6 grade levels in just three years. Graduates of San Miguel are twice as likely than their neighborhood peers to graduate high school. Furthermore, 92% of San Miguel graduates matriculate into college — far exceeding the national average.

RiverFest plays a significant role in raising funds for San Miguel School. Funds collected go directly toward student scholarships and community support for students. Each student is given a top-notch education, nearly tuition free and is provided with a safe learning environment to grow and succeed.

HOW CAN YOU HELP?

97% of funding for San Miguel School comes from generous individuals, corporations, foundations and organizations just like you! Please consider attending RiverFest this year and helping change the future for the children and families served by San Miguel School. In addition to attending RiverFest, you can also support the event and San Miguel School by:

[Becoming one of the select sponsors](#) of this remarkable event, and help provide our students with the education they need to succeed.

[Donating an item to our auction.](#) A vital part to getting high attendance each year at RiverFest is an annual silent auction. In the past, auction items have ranged from professional artwork to vacation packages.
